

## UNIVERSITY HEIGHTS NEIGHBORHOOD

Come Join your Neighbors!

April 9th 6:30-7:30 pm

## Riverside Baptist Church, 3700 W. Riverside

The University Heights Neighborhood is holding a neighborhood meeting next week. A steering committee has been working for several months to prepare for this first meeting. Several items will be discussed including: bylaws, electing leadership, and action steps such as safety, infrastructure, and neighborhood events.

We need your input!

## Why get involved? Because neighborhood associations can help:

- Empower a united voice to be heard by local government
- Provide a framework for discussing common concerns
- Build relationships with neighbors
- Improve the quality of life
- Reduce crime
