

E-Cigarettes: What You Should Know and Why.

A town hall forum by the Tobacco Free Coalition of Delaware County

Join experts from the Tobacco Free Coalition of Delaware County, The Indiana State Department of Health, and IU Health Ball Memorial Hospital for an informative panel discussion about e-cigarettes and other forms of 'vaping.' Attendees will be able to ask questions and learn the basics about e-cigarettes such as their ingredients, health concerns, and marketing strategies. Presenters will also touch on policy opportunities for employers and communities, as well as cessation resources for individuals.
