

The Hardest Hit Funds are allocated to cities throughout Indiana by the Indiana Housing & Community Development Authority. For more information about the program please visit the IHEDA [website](#).

On June 24, 2014 the City of Muncie received approval of its application and award of \$2,880,000 for acquisition and demolition of blighted and abandoned properties. Properties have been identified for the blight elimination program, but the list is subject to change as the program progresses. The following properties were included in the initial list provided to the state as part of the application process:
