"I'm proud of myself for taken care of my feelings. I was born biologically male. Today, I am Valeria"

First participant, july 2017

Face Me Por Favor is a street art campaign with the simple mission of painting portraits as portals to the human spirit. Our goal is to create a visual voice for people to share their hopes and dreams, fear and despair. We glue wheat-paste portraits throughout the streets to connect the City with its people.

"-What do you dream for your life?
-I want to write a book and edit it on paper."
Ronen

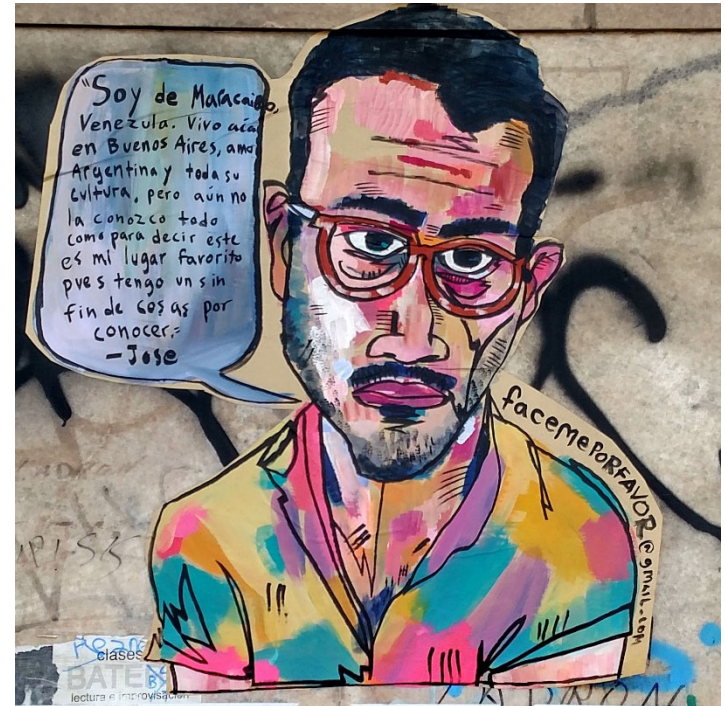

"My nephew Sebastián makes me feel proud, is a child with Asperger Autism, but he is super smart. He recently learned to swim." Dave

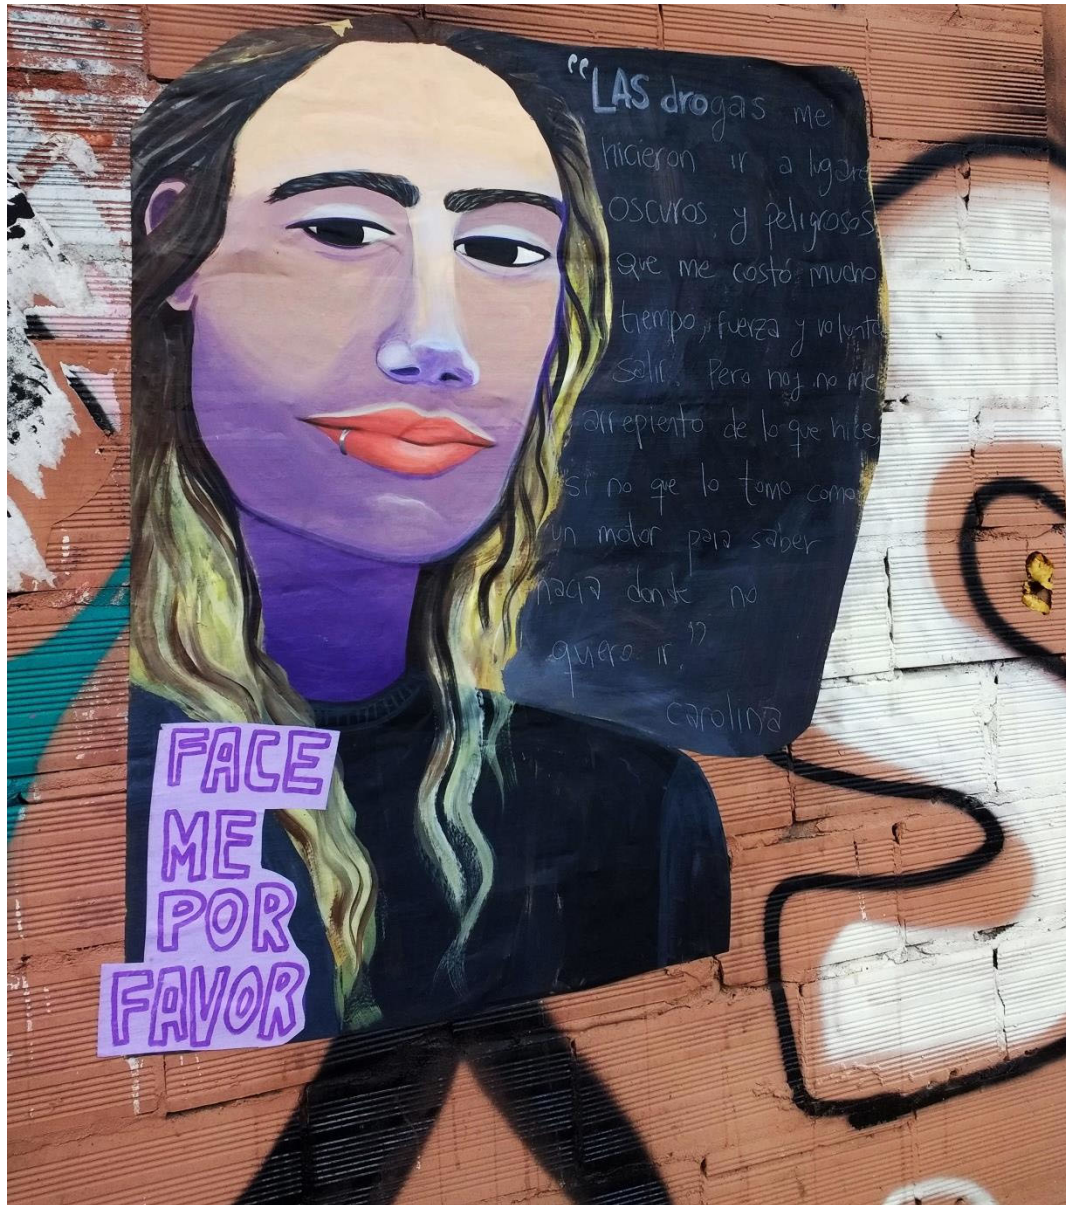

"My favorite place is The Botanical Garden because I love plants." Frida

"I don't expect anything from the world,
because I know its gonna give
me whatever it wants"
Eugenia

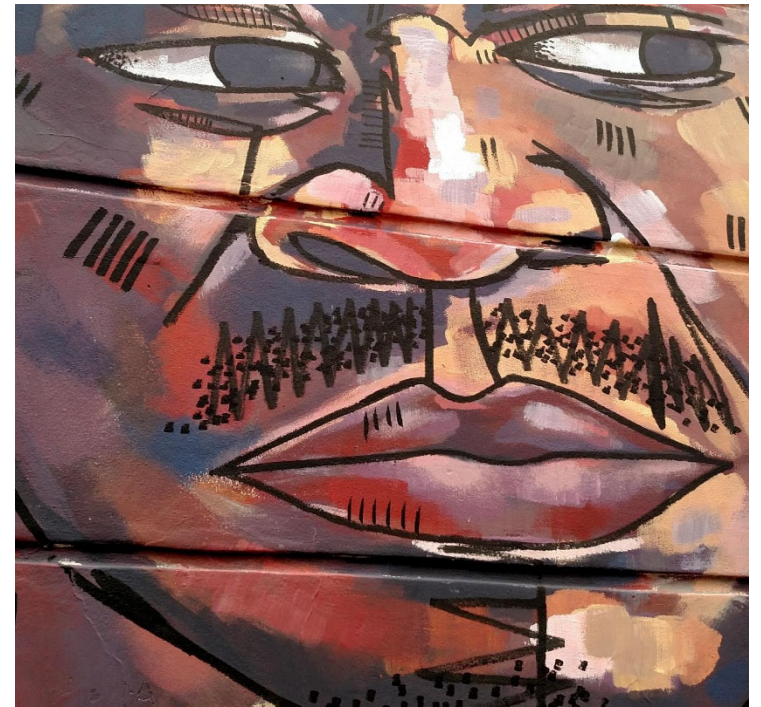

"I'm from Maracaibo, Venezuela. I live in Buenos Aires, I love Argentina and its culture, but I still don't know it as much to say it's my favorite place." Jose

"Drugs made me go to dark and dangerous places, it took a lot of effort and will to get out of them. But today I don't regret what I did, it pushes me to know where I don't want to go."
Carolina

“My goal is to impact others with myself, so that future generations can feel free to express themselves.”

WHAT'S UP MUNCIE?

HELLO MUNCIE! WE ARE A STREET ART DUO PARTICIPATING IN THE PLYSPACE ARTIST RESIDENCY. OUR PROJECT IS DEDICATED TO CREATE MURALS THAT CONNECT THE CITY WITH ITS PEOPLE.

**WE WOULD LOVE TO PAINT YOUR STORY!
YOU CAN PARTICIPATE AT
WWW.PLYSPACE.ORG/FACEMEPORFAVOR
ITS FREE!**

PlySpace is a program of Muncie Arts and Culture Council in partnership with the City of Muncie, Ball State University School of Art, and Sustainable Muncie Corporation. PlySpace is supported in part by an award from the National Endowment for the Arts.

What about Muncie do you think has shaped you the most?

What does the world need to know about Muncie?

Where do you see your identity come from, or what does it mean for you?

What makes you proud of yourself/friends/family/life? Do you have a story of a time that you discovered it?

How can we create solidarity as a humanity, or do you think that is even important?

What would you like to receive from the world, and what do you want to give back as well?

WWW.PLYSPACE.ORG/FACEMEPORFAVOR

Submit Your Photo and Profile Questionnaire!

Residents of Muncie are invited to submit their photo and profile (filled out below or via the google form link) to be included in the pool of images and text that the artists will use in the murals. Not all portraits and profiles will be used, and the content is up to the artists' discretion based on the quality of the portrait images. There will be multiple murals installed around Muncie, so there are many opportunities for your photo to be incorporated!

Questions about the process can be sent to hello@plyspace.org.

You can submit a portrait on someone else's behalf, such as an important figure in your community who has passed away, or for someone who doesn't have the ability to submit their own portrait. **You must have permission** from the person or their family/guardian/heirs in order to submit a picture that is not your own. Please email hello@plyspace.org with any questions.

Also, please know that by filling out these forms or by submitting a portrait you are giving your permission for the artists to use your words or likeness in the project in Muncie!

Submissions will not be accepted after March 30, 2019 - but the sooner you submit the more likely you will be included!

WWW.PLYSPACE.ORG/WALL-SUBMISSION

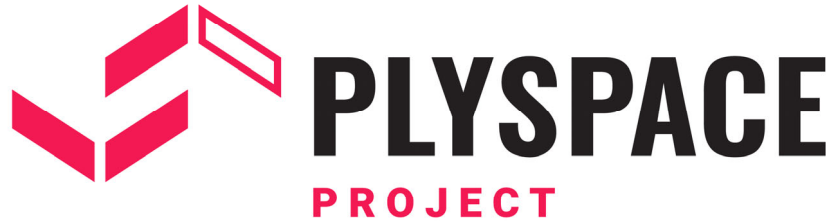

How to submit a wall for the FaceMePorFavor Mural Project:

1. If you are a building owner or know a building owner who would like to submit a wall or surface for the project, please download and fill out the pdf submission form.

PDF Submission Form (click to download)

2. Email the **form** and an **image/photo** of the wall to hello@plyspace.org.
3. If the wall fits in the parameters of the project and the artists feel the surface will work for the mural process, we will contact you (the contact person listed on the submission form).
4. If you are **not** the wall owner, but are submitting a wall in your neighborhood, please be sure you have **permission from the owner** to submit the wall. The owner of the wall will need to sign a contract before we can begin the mural process.
5. All submissions must be received no later than March 10th, 2019. Since the artists are only in Muncie until April 5th, we would love to have your submissions as soon as possible.
6. If you have any trouble - just email us at hello@plyspace.org or facemeporfavor@gmail.com!

Submissions will not be accepted after March 10, 2019!
