Neighborhood Project Fund

Why?

Neighborhoods often do not have access to grant funding and dues collection alone may not support moving initiatives forward.

Our goal was to help inspire and engage residents through these neighborhood based projects.

How?

MAP's Task Force 2 was awarded a
BBF Rapid Grant in 2015.

TF2 worked to create an
application and reporting process
for awarded projects.

Final Report

Application

- Download and complete the [PDF application form](#).
- Email completed application to Heather Williams (hlwilliams@bsu.edu).
- Applications will be reviewed at the Task Force 2 at its July meeting.
- Applications will be accepted through July 9, 2018 with announcement of funding on July 17 at the Neighborhood Leadership Council Tuhey Pool Party.
- A check will be cut in the name of the Neighborhood Association and mailed to the individual named on the Application Form.
- The [PDF follow-up report form](#) is due 30 days after the funds are expended.
- Funds that are awarded, but not used, must be returned to Task Force 2 no later than 30 days after the equipment or service was purchased.

Requirements

- Amount requested may not exceed \$500.00.
- Two quotes must be provided for equipment and services.
- Each neighborhood may only receive one allocation per calendar year.
- The association must be able to provide its Articles of Organization or By-Laws.
- The association must be able to provide its last two bank statements.

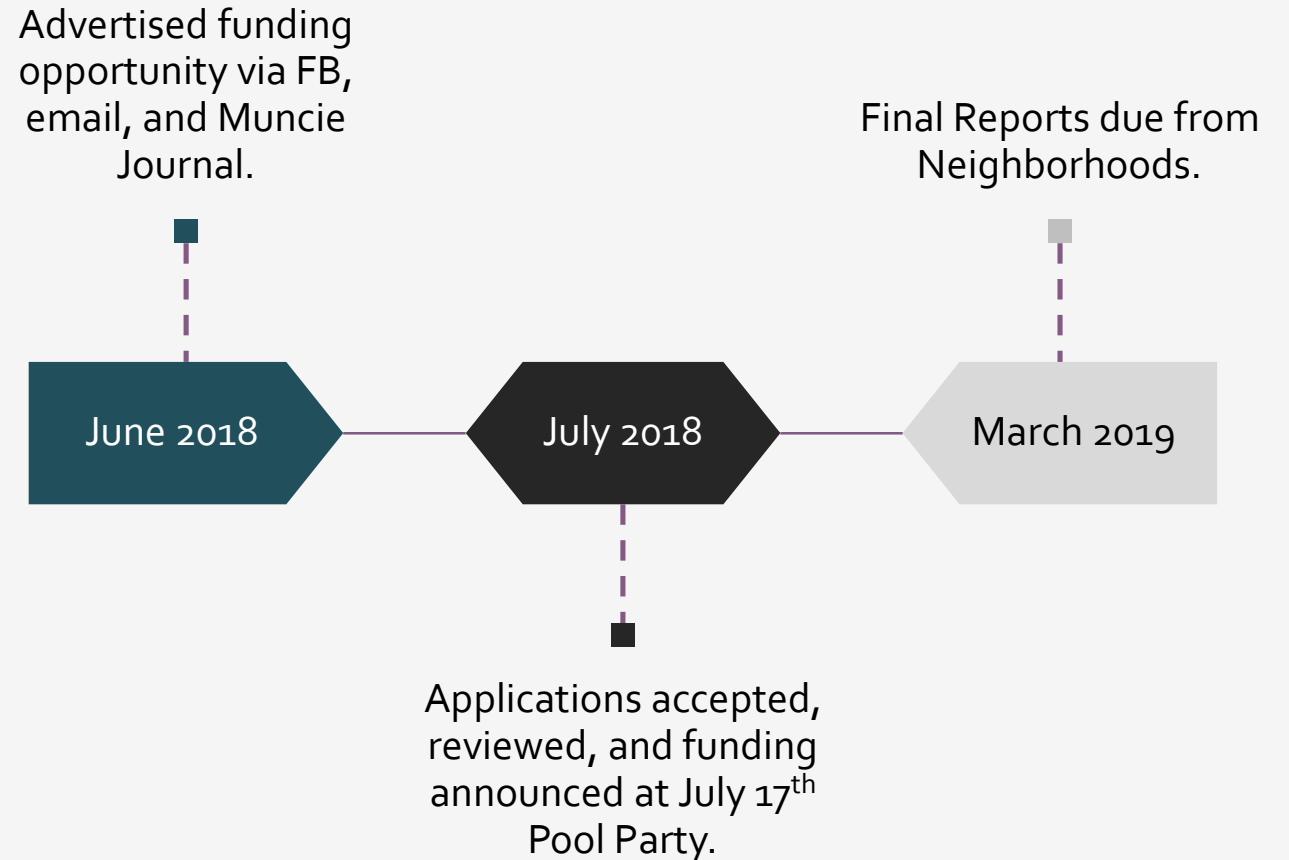

** If for any reason the association cannot meet these requirements, a detailed explanation must be provided in the application email.*

Review

- Need
- Will the project, equipment or service impact the neighborhood's quality of life?
- Will it generate excitement/interest in the neighborhood?
- Will it be visible?
- Did the neighborhood vote to approve the project, equipment, or service?
- Attendance at Neighborhood President Council meetings and training sessions.

Process

In 2018 TF2 was again awarded a BBF Rapid Grant to provide funds for neighborhood based projects.
