

ARP Neighborhood Formal Application - Minnetrista Central Neighborhood Association

Time Stamp 10/10/22 0:00
Contact Name Zane Bishop
Treasurer Name Stephanie Hutchinson
Amount Requested Amount in full

Describe the Scope of the Project(s), including estimated timeline.

Micro grants will be available to any resident of the neighborhood.

Initial requests will be limited to \$500/household.

The executive committee will review all responses and send to the full association for approval. If there are additional funds available, we will use the funds for a neighborhood project or for additional micro grants.

Are you applying to any other organizations for additional funding?

No

If the above answer is yes, provide the source and amount of other funds and if the Neighborhood Association is already in possession of those funds.

Describe how the ARP funding will impact the Neighborhood association.

The funds will directly assist residents and allow flexibility for the most urgent or most desired outcomes. It will improve some residents' financial situations and improve the blocks others live on. We also hope that it will increase engagement in the neighborhood association as our neighbors learn more about us through this process.

How will the project(s) be measured and evaluated?

The objective is to expend all the funds before the deadline, all on eligible activities. Before & after pictures of improvements will also be taken to document the improvements, and testimonials from residents will be collected.
